# INVESTOR RELATIONS AND BENEFITS

At Opportunity Stanislaus nothing is more important than our investors. We are proud to offer the following services exclusively to our investors:

**HR Consulting:** Our human resources specialist will help your team understand the ins and outs of employment law including up-to-date legislative changes

**Targeted Research:** Our expert researcher can offer assistance with various research projects such as: wage analyses' and supply chain resources and we can connect you with customer acquisition data

**Vet Your Candidates:** Opportunity Stanislaus offers ACT WorkKeys testing which measures the most important workplace skills impacting job performance

**Specialty Recruitments:** While general workforce searches will be handled by county workforce staff, Opportunity Stanislaus is available to help you source candidates for premiere and specialty positions and put you in contact with strategic talent acquisition firms

**Priority Recruitment & Discounts at VOLT:** Opportunities to recruit VOLT students and graduates and complimentary booths at VOLT Job Fairs. Discounts for incumbent workers also apply
